

CIRCLES OF SUPPORT

Creating a support network for a person with disability

A circle of support involves a group of people coming together to help promote, support and achieve the goals of a person with disability. Starting a circle of support involves the intentional building of relationships around a person who might be vulnerable because of disability. They are based on an understanding of the importance of relationships in our life and our need to belong in the community.

What you will learn at this workshop:

- Clarity of purpose in setting up a circle of support
- Roles of facilitators in the circle of support
- Management and maintenance of the group
- Stories of successful circles of support

Date: Wednesday 20th September 2017

Time: 6:30pm - 8:30pm

Venue: ACT Youth Coalition, 46 Clianthus Street, O' Connor
